

STH 82 (CTH D – LA FARGE) VERNON COUNTY

Client

WisDOT, SW Region
Reiny Yahnke
3550 Mormon Coulee Road
La Crosse, WI 54601
(608) 785-9050

Project ID's

5711-03-34

Design Start

March 2006

Design Completion

Anticipated March 2009

Construction Start

Anticipated Spring 2009

Construction Completion

Anticipated Fall/Winter 2009

Estimated Construction Cost

\$350,000.00

Project Manager

Amanda Zacharias, P.E.

Design Leader

Bill Hove, P.E.

The project consisted of a bridge deck overlay and deck replacement along STH 82. The bridge approaches for the deck replacement were reconstructed as well. Both bridges cross the Otter Creek and are located within 0.72-miles of each other. Upgrading substandard vertical alignment components was a challenge, considering the anticipated bridge approach project limits. A temporary bypass was constructed to handle traffic during construction of the bridge deck replacement. The reason for the bypass was to accommodate agricultural vehicles and to minimize driving time because the detour was estimated to be too long (15-miles).

Project Deliverables:

- Project scoping, scheduling, budgeting and monitoring
- Preliminary and Final Plans and Documents
- PS&E Documents
- Public Involvement
- Utility Coordination (Trans 220)
- Environmental Document
- Phase 1 Hazardous Materials Site Assessment
- Design Study Report
- DNR Coordination
- Agency Coordination
