

Land Survey Technician

DAAR Engineering, Inc. is a firm comprised of experienced engineers and technicians, specializing in public and private sector improvement projects. We are currently seeking a full-time Survey Technician to work in our Milwaukee Land Development Survey division.

Position: Full-time position available with excellent benefits including medical, dental, vision, 401k, HSA, DCFSA, disability, and voluntary group benefits options.

Qualifications:

- 1+ years' experience
- Experience with Total Stations, auto levels, and data collectors
- GPS and AutoCAD experience preferred but not required
- Knowledge of construction staking, topographic surveys, plats of survey, Certified Survey Maps, Subdivision plats, and legal descriptions is a plus
- Must be able to work outside in all weather conditions
- Physically capable of carrying 30-40 lbs. of survey equipment

Responsibilities:

- Assist with gathering of information needed to carry out new surveys using source maps, previous survey data, photographs, computer records, and other relevant information
- Adjust and operate surveying instruments
- Participate in effective communication and coordination on assigned tasks with other project participants, clients and regulating authorities
- Maintain and advance professional and technical knowledge and skills

Pay: Based on qualifications and experience

This firm is an Equal Employment Opportunity/Affirmative Action (EEO/AA) employer committed to maintaining a nondiscriminatory, diverse work environment. Qualified females, members of ethnic and racial minority groups, persons with disabilities and veterans are strongly encouraged to apply.

Relocation assistance not offered. Visa sponsorship not offered.

Please submit cover letter and resume to justin.neubauer@daarcorp.com.
